Monthly payments **ARE NOT** paid in the school office. We use SMART Tuition Management for the collection of the monthly payment. These payments are set up and deducted from your checking or savings account. SMART Tuition charges a once yearly service fee (\$38) when using this plan.

A parent may request a meeting with the principal if financial consideration is necessary.

Tuition is a yearly commitment. This monthly payment plan is for the convenience of families who would prefer to make payments, but this plan is not meant to suggest that payments correspond to a month-to-month enrollment.

Family Service Hours

The Family Service Hour program is an integral part of the school's financial structure and the basic obligation of \$400 (40 hours of service at \$10.00 per hour per family) may be fulfilled in one of two ways:

1. \$400 paid in full by August 30, 2008 , or
2. Fulfillment of 40 volunteer hours – Half to be completed by January 31, 2008 and the remaining hours to be completed by May 1, 2009. A record of monthly volunteer hours worked will be recorded and sent home. Any unserved hours will be billed at the rate of \$10 per hour **before** the 2009 - 2010 school year registration.

Fundraising

Tuition and fees alone do not cover the operating budget of the school. Fundraising is an integral part of the budget. It is also a wonderful opportunity for parents to get involved and help create the community spirit that is a part of Good Shepherd School. The Parent Club plans several fundraising events each year and parent support of the fundraisers over and above the Fundraising obligation is expected.

Fundraising Obligation

Minimum Annual Obligation.....\$400 per family (paid by May 1, 2008)

The fundraising obligation can be paid at registration as a one-time donation or added to your monthly tuition payment and divided over 12 months

Late Fees

When payments are late it takes more time trying to collect this money. This costs the school extra money in hours spent calling parents about their obligations.

There is a \$50 ***per month*** late fee. To avoid this, please pay your tuition and fees on time. Thank you for your cooperation.
