

Just upgraded your cell phone?

So, what do you do with your old one?

We have the answer and the best part is
Good Shepherd Catholic School benefits from it.

Good Shepherd Catholic School will receive funds from **Recycling Alliance** for each donated phone. They will pay the school from 50 cents to \$30 per phone (depending on make and model.) Newer models may earn more than \$30. Damaged and outdated phones earn 50 cents. The best part is they pay for all phones we collect.

Recycling Alliance will process our phones through an environmentally responsible recycling process. By collecting these phones for recycling we are helping our environment by keeping these phones out of the landfills.

Tell your family and friends that **Good Shepherd Catholic School** will welcome your donated cell phone for recycling.

- We will accept all phones
- All phones need to have the batteries attached
- **No Accessories please- Recycling Alliance will not accept them**

The class that collects the most donated cell phones by
May 23rd will have a free dress day!

Ideas on where to collect old phones:

- Your parent's work place
- Family
- Friends

So start spreading the news today-
Good Shepherd Catholic School RECYCLES!!
