

June 2011

Dear Future Second Graders,

I'm looking forward to having you in second grade next year. Reading should be a fun part of every day and you'll be involved with lots of exciting reading projects in class. In order to get ready for second grade, I encourage you to read some good books this summer. On the following pages, you will find information about the Summer Reading. Each student must read at least 4 books and complete an activity for each one. A list of suggested books is attached. Enjoy!

Sincerely,

Your Second Grade Teacher

*Miss Erin McNulty*
